- (a) A
- (b) B
- (c) C
- (d) D
- (e) No Error

(Directions 8-11): Rearrange the following six sentences (A), (B), (C), (D) and (E) in the proper sequence to form a meaningful paragraph and then answer the questions given below.

- (A) a full health history will reveal your age, gender, the places where you have lived, your family relationships and aspects of your lifestyle.
- (B) Even if you remove your name, date of birth and NHS number to “anonymise” yourself,
- (C) Used in combination with other available information, this may be enough to verify that this medical history relates to you personally and to target you online.
- (D) Health data paints a rich picture of our lives.
- (E) Consequently, whenever the NHS shares health data, even if it is anonymised, we need to have confidence in who it goes to and what they can do with it.

Q8. Which of the following should be the **first** sentence after rearrangement?

- (a) B
- (b) D
- (c) A

- (d) E
- (e) C

Q9. Which of the following should be the **third** sentence after rearrangement?

- (a) A
- (b) D
- (c) E
- (d) B
- (e) C

Q10. Which of the following should be the **fourth** sentence after rearrangement?

- (a) B
- (b) E
- (c) F
- (d) C
- (e) A

Q11. Which of the following should be the **last** sentence after rearrangement?

- (a) E
- (b) C
- (c) B
- (d) A
- (e) D

**(Directions 12-15):** Rearrange the following six sentences (A), (B), (C), (D) and (E) in the proper sequence to form a meaningful paragraph and then answer the questions given below.

- (A) In that outbreak in 2003 China suffered a sharp hit to its growth, followed by a strong rebound.
- (B) The outbreak in China of covid-19, a respiratory disease, invites a comparison to the last one, severe acute respiratory syndrome (SARS).

- (D) investors remain optimistic that its economic effects will follow a similar path.
- (E) When shocks hit the global economy, Wall Street looks to history to see what will happen next.

Q12. Which of the following should be the **first** sentence after rearrangement?

- (a) B
- (b) D
- (c) A
- (d) E
- (e) C

Q13. Which of the following should be the **third** sentence after rearrangement?

- (a) A

- (b)D
- (c)E
- (d)B
- (e)C

Q14. Which of the following should be the **fourth** sentence after rearrangement?

- (a) B
- (b) E
- (c) F
- (d)C
- (e) A

Q15. Which of the following should be the **last** sentence after rearrangement?

- (a)F
- (b)D
- (c)B
- (d)A
- (e)E

Solutions

S1. Ans. (a)

Sol. Here, the error lies in part (A) of the given sentence. **'The life'** is incorrect as when life is used in a general case, 'the' is never used before them. Hence, **option (b)** is the right answer choice.

S2. Ans. (a)

Sol. Here, the error lies in part (A) of the given sentence. **'wife'** is incorrect, it must have an apostrophe, So the word 'wife' will be changed to 'wife's. Hence, **option (b)** is the right answer choice.

S3. Ans. (b)

Sol.

Here, the error lies in part (B) of the given sentence. **'whose design'** is incorrect, it must be changed to 'the design of which' as whose is never used for non-living things. Hence, **option (b)** is the right answer choice.

S4. Ans. (a)

Sol.

Here, the error lies in part (A) of the given sentence. 'sadly' is incorrect, it must be changed to 'sad' as sad (Adjective) is used with verbs of sensation. Hence, **option (a)** is the right answer choice.

S5. Ans. (c)

Sol.

Here, the error lies in part (C) of the given sentence. 'attending' is incorrect, it must be changed to 'attend' as 'would rather' is followed by V1 form and after 'than' the form V1 will come. Hence, **option (c)** is the right answer choice.

S6. Ans. (b)

Sol. Here, the error lies in part (B) of the given sentence. **Not only** will be used before **document** because **but also** is used before **identify**. **Not only-but also/ either-or/ neither-nor etc.** are used to connect two subject/objects/verbs/gerunds etc. Hence, **option (b)** is the right answer choice.

S7. Ans. (c)

Sol. The error lies in part (C). **Was** will be used before **Sent**. Hence, **option (c)** is the right answer choice.

S8. Ans. (b)

Sol.

(D) Health data paints a rich picture of our lives.

(B) Even if you remove your name, date of birth and NHS number to "anonymise" yourself,

(A) a full health history will reveal your age, gender, the places where you have lived, your family relationships and aspects of your lifestyle.

(C) Used in combination with other available information, this may be enough to verify that this medical history relates to you personally and to target you online.

(E) Consequently, whenever the NHS shares health data, even if it is anonymised, we need to have confidence in who it goes to and what they can do with it.

Therefore, the correct sequence of the rearranged sentences will be **DBACE**. This makes option (b) correct.

S9. Ans. (a)

Sol.

(D) Health data paints a rich picture of our lives.

(B) Even if you remove your name, date of birth and NHS number to “anonymise” yourself,

(A) a full health history will reveal your age, gender, the places where you have lived, your family relationships and aspects of your lifestyle.

(C) Used in combination with other available information, this may be enough to verify that this medical history relates to you personally and to target you online.

(E) Consequently, whenever the NHS shares health data, even if it is anonymised, we need to have confidence in who it goes to and what they can do with it.

Therefore, the correct sequence of the rearranged sentences will be **DBACE**. This makes option (a) correct.

**S10.** Ans. (d)

Sol.

(D) Health data paints a rich picture of our lives.

(B) Even if you remove your name, date of birth and NHS number to “anonymise” yourself,

(A) a full health history will reveal your age, gender, the places where you have lived, your family relationships and aspects of your lifestyle.

(C) Used in combination with other available information, this may be enough to verify that this medical history relates to you personally and to target you online.

(E) Consequently, whenever the NHS shares health data, even if it is anonymised, we need to have confidence in who it goes to and what they can do with it.

Therefore, the correct sequence of the rearranged sentences will be **DBACE**. This makes option (d) correct.

**S11.** Ans. (a)

Sol.

(D) Health data paints a rich picture of our lives.

(B) Even if you remove your name, date of birth and NHS number to “anonymise” yourself,

(A) a full health history will reveal your age, gender, the places where you have lived, your family relationships and aspects of your lifestyle.

(C) Used in combination with other available information, this may be enough to verify that this medical history relates to you personally and to target you online.

(E) Consequently, whenever the NHS shares health data, even if it is anonymised, we need to have confidence in who it goes to and what they can do with it.

Therefore, the correct sequence of the rearranged sentences will be **DBACE**. This makes option (a) correct.

**S12.** Ans. (d)

Sol.

(E) When shocks hit the global economy, Wall Street looks to history to see what will happen next.

(B) The outbreak in China of covid-19, a respiratory disease, invites a comparison to the last one, severe acute respiratory syndrome (SARS).

(A) In that outbreak in 2003 China suffered a sharp hit to its growth, followed by a strong rebound.

(C) Although covid-19 has now claimed more lives than SARS,

(D) investors remain optimistic that its economic effects will follow a similar path.

Therefore, the correct sequence of the rearranged sentences will be **EBACD**. This makes option (d) correct.

**S13.** Ans. (a)

Sol.

(E) When shocks hit the global economy, Wall Street looks to history to see what will happen next.

(B) The outbreak in China of covid-19, a respiratory disease, invites a comparison to the last one, severe acute respiratory syndrome (SARS).
