Box N is placed just above box T, which colour is not yellow. Colour of box S is red. Brown coloured box has minimum number of books in it. There is only one box is placed between box O and Q. Box R is placed below, white coloured box. Box S is placed above box Q. Yellow coloured box is placed just above box O. Box N is not placed at top and it is also not placed above Q. There are only three boxes are placed between box O and the box which has second highest number of books in it. The box which has highest number of books placed above red coloured box. Peach coloured box has 19 books in it and placed above R. Colour of Box Q is not brown. Pink coloured box has 13 books in it.

Q1. What is the colour of Box O?

- (a) White
- (b) Yellow
- (c) Peach
- (d) Blue
- (e) None of these

Q2. Which of the following box is placed at top?

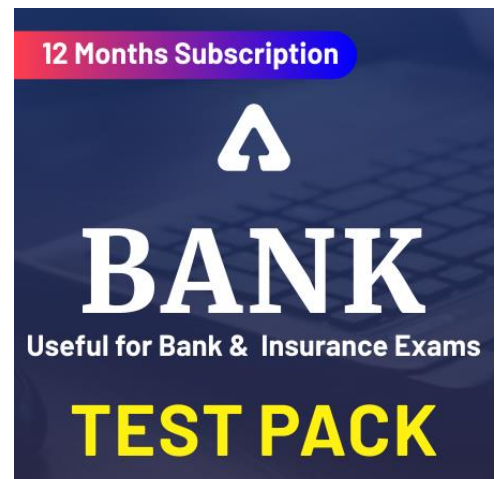

- (a) N
- (b) P
- (c) Both (b) and (d)
- (d) Yellow coloured box
- (e) None of these

Q3. How many boxes are placed between T and the box which has 8 books in it?

- (a) One
- (b) Three
- (c) Two
- (d) More than three
- (e) None of these

Q4. Which of the following box has 13 books in it?

- (a) S
- (b) P
- (c) N
- (d) Q
- (e) None of these

Q5. What is the colour of Box N?

- (a) White
- (b) Yellow
- (c) Peach
- (d) Blue
- (e) None of these

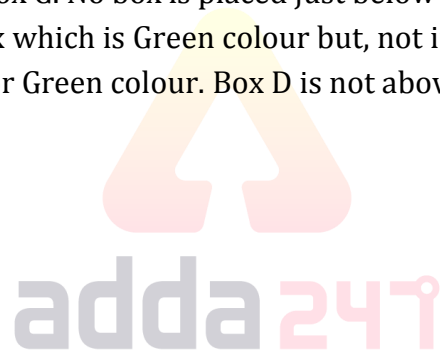

Direction (6-10): Study the following information carefully and answer the given questions:

Seven boxes are placed one above another in seven different columns of an almira which have eight columns, one column is vacant. Each box is four different colour- White, Green, Blue and Yellow. Not more than two boxes are same colour.

There is one Box between Box C and the Box D which is Green colour. Three boxes are placed between Green colour box and Yellow colour box. There is a vacant space between the boxes which Yellow colour and the one which is Blue colour. Box E is same colour as Box A. Box B is White colour and placed at the bottommost position. There are two boxes placed between White colour box and Yellow colour box. Box B doesn't place anywhere above the Box G. No box is placed just below Box G which is not Blue colour. Box A is placed immediately below the box which is Green colour but, not immediate above Box D. Only box G is Yellow colour. Box F neither Blue nor Green colour. Box D is not above Box F.

Q6. What is the colour of box E?

- (a) White
- (b) Yellow
- (c) Blue
- (d) Green
- (e) Can't be determine

Q7. How many boxes are placed above box E?

- (a) Two
- (b) Three
- (c) Six
- (d) Five
- (e) None of these

Q8. Which of the following is white colour box?

- (a) F
- (b) G
- (c) A
- (d) B
- (e) Both (a) and (d)

Q9. Which of the following boxes are blue colour?

- (a) A-B
- (b) E-A
- (c) C-D
- (d) F-G
- (e) None of these

Q10. Which of the following is true about box B?

- (a) Box B and G same colour
- (b) Only Two Boxes are placed above Box B
- (c) Box F and Box B is same colour
