Read the following information carefully and answer the given questions.

Angela Dorothea Merkel is a German politician serving as Chancellor of Germany since 2005. She served as the leader of the centre-right Christian Democratic Union (CDU) from 2000 to 2018. Merkel has been widely described as the de facto leader of the European Union, the most powerful woman in the world, and by many commentators as the leader of the Free World.

Merkel was born in Hamburg in then–West Germany and moved to East Germany as an infant when her father, a Lutheran clergyman, received a pastorate in Perleberg. She obtained a doctorate in quantum chemistry in 1986 and worked as a research scientist until 1989. Merkel entered politics in the wake of the Revolutions of 1989 and briefly served as a deputy spokesperson for the first democratically elected East German Government headed by Lothar de Maizière in 1990. Following German reunification in 1990, Merkel was elected to the Bundestag for the state of Mecklenburg–Vorpommern and has been re–elected ever since. As the protégée of Chancellor Helmut Kohl, Merkel was appointed as the Federal Minister for Women and Youth in Kohl's government in 1991 and became the Federal Minister for the Environment, Nature Conservation and Nuclear Safety in 1994. After her party lost the federal election in 1998, Merkel was elected Secretary–General of the CDU before becoming the party's first female leader two years later in the aftermath of a donations scandal that toppled Wolfgang Schäuble.

Following the 2005 federal election, Merkel was appointed Germany's first female chancellor at the head of a grand coalition consisting of the CDU, its Bavarian sister party the Christian Social Union (CSU), and the Social Democratic Party of Germany (SPD). In the 2009 federal election, the CDU obtained the largest share of the vote, and Merkel was able to form a coalition government with the Free Democratic Party (FDP).

एक गद्यांश दिया गया है। गद्यांश के आधार पर पाँच प्रश्न दिए गए हैं। गद्यांश को ध्यानपूर्वक पढ़ें तथा प्रत्येक प्रश्न में चार विकल्पो में से सही विकल्प चुने।

आजकल विद्यार्थियों में अनुशासन हीनता बढ़ती जा रही है विद्यार्थी का मन गीली मिट्टी के समान होता है, उसे जैसा रूप हम देंगे, वह वैसा ही आकार ग्रहण कर लेता है। विद्यार्थियों के अनुशासनहीन होने के कारण हो सकते हैं, जैसे माता-पिता द्वारा अत्यधिक लाड प्यार करना या बच्चे की ओर बहुत कम ध्यान देना, उसे नौकरों आयाओं के सहारे छोड़ देना, उसकी भावनाओं को न समझना आदि। इन कारणों में उनमें अनुशासनहीनता जन्म लेती है। एक अन्य कारण विद्यालयों में अनुशासन के लिए बनाए गए नियमों की अभिभावकों द्वारा आलोचना करना वह अत्यधिक हस्तक्षेप करना भी है, जिसके कारण विद्यार्थियों के मन में यह बात बैठ जाती है कि यदि अध्यापक दंड देंगे या नियमों का सखती से पालन करवाएँगे, तो वे अपने माता पिता को भावनात्मक रूप से गुमराह करके उन्हें अपने पक्ष में कर सकते हैं। मीडिया के कारण भी वे अपने अधिकारों के प्रति तो जागरूक हैं परंतु अपने कर्तव्य से अनभिज्ञ है। यदि विद्यालय में किसी अनुशासनहीन विद्यार्थी को दंड दिया जाता है, तो अगले दिन मिर्च-मसाला लगाकर उसे समाचार पत्रों में दूरदर्शन के विभिन्न चैनलों पर दिखाया जाता है। अदालतों द्वारा नित-नए कानून पास करवा लिए जाते हैं जिसके अंतर्गत विद्यार्थियों को डांटना, खड़ा करना यहाँ तक की कड़े शब्दों में कुछ कहना तक मना कर दिया जाता है।
