Read this passage carefully and answer the given questions.

One day, a high summer flood washed a mongoose out of the burrow where he lived with his father and mother, and carried him, kicking and clucking, down a roadside ditch. He found a little wisp of grass floating there, and clung to it till he lost his senses. When he revived, he was lying in the hot sun on the middle of a garden path, very draggled indeed, and a small boy was saying, "Here's a dead mongoose. Let's have a funeral." "No," said his mother, "let's take him in and dry him. Perhaps he isn't really dead." They took him into the house, and a big man picked him up between his finger and thumb and said he was not dead but half choked. So they wrapped him in cotton wool, and warmed him over a little fire, and he opened his eyes and sneezed. "Now," said the big man (he was an Englishman who had just moved into the bungalow), "don't frighten him, and we'll see what he'll do." It is the hardest thing in the world to frighten a mongoose, because he is eaten up from nose to tail with curiosity. The motto of all the mongoose family is "Run and find out," and Rikki-tikki was a true mongoose. He looked at the cotton wool, decided that it was not good to eat, ran all round the table, sat up and put his fur in order, scratched himself, and jumped on the small boy's shoulder. "Don't be frightened, Teddy," said his father.

नीचे दिए गए गद्यांश को ध्यानपूर्वक पढ़ें और प्रश्न का सर्वोत्तम उत्तर चुनें।

महँगाई या मूल्यवृद्धि से आज समस्त विश्व त्रस्त है। भारत बढ़ती महँगाई की चपेट में बुरी तरह से जकड़ा हुआ है। जीवनोपयोगी वस्तुओं के दाम दिन-प्रतिदिन बढ़ते जा रहे हैं जिनसे जन-साधारण को अंत्यत कठिनाई का सामना करना पड़ रहा है। महँगाई से देश के आर्थिक ढाँचे पर अत्यधिक दबाव पड़ रहा है। महँगाई के निर्मम चरण अनवरत रूप से अग्रसर हैं; पता नहीं वे कब व कहाँ रूकेंगे। आज कोई भी वस्तु बाजार में सस्ते दामों पर उपलब्ध नहीं है, समाज का प्रत्येक वर्ग महँगाई की मार को अनाहूत अतिथि की तरह सहन कर रहा है, इसका सर्वग्राही प्रभाव जीवन के प्रत्येक क्षेत्र पर पड़ रहा है। सरकारी योजनाओं पर अत्यधिक खर्च हो रहा है। अपने स्वार्थ के लिए लोगों में धार्मिक, सामाजिक तथा नैतिक मान्यताएं पीछे ढूट जाती हैं और भ्रष्टाचार का बोलबाला हो जाता है। अर्थशास्त्र की मान्यता है कि यदि किसी वस्तु की माँग उत्पादन से अधिक हो तो मूल्यों में स्वाभाविक रूप से वृद्धि हो जाती है।

नीचे दिए गए गद्यांश को ध्यानपूर्वक पढ़ें और प्रश्न का सर्वोत्तम उत्तर चुनें।

महुँगाई या मूल्यवृद्धि से आज समस्त विश्व त्रस्त है। भारत बढ़ती महँगाई की चपेट में बुरी तरह से जकड़ा हुआ है। जीवनोपयोगी वस्तुओं के दाम दिन-प्रतिदिन बढ़ते जा रहे हैं जिनसे जन-साधारण को अंत्यत कठिनाई का सामना करना पड़ रहा है। महँगाई से देश के आर्थिक ढाँचे पर अत्यधिक दबाव पड़ रहा है। महँगाई के निर्मम चरण अनवरत रूप से अग्रसर हैं; पता नहीं वे कब व कहाँ रूकेंगे। आज कोई भी वस्तु बाजार में सस्ते दामों पर उपलब्ध नहीं है, समाज का प्रत्येक वर्ग महँगाई की मार को अनाहूत अतिथि की तरह सहन कर रहा है, इसका सर्वग्राही प्रभाव जीवन के प्रत्येक क्षेत्र पर पड़ रहा है। सरकारी योजनाओं पर अत्यधिक खर्च हो रहा है। अपने स्वार्थ के लिए लोगों में धार्मिक, सामाजिक तथा नैतिक मान्यताएं पीछे छूट जाती हैं और भ्रष्टाचार का बोलबाला हो जाता है। अर्थशास्त्र की मान्यता है कि यदि किसी वस्तु की माँग उत्पादन से अधिक हो तो मूल्यों में स्वाभाविक रूप से वृद्धि हो जाती है।
