27. Legal Audit
28. SMS Fraud
29. NBFCs Compliance
30. Case Study on Balance Sheet
31. McGregor Theory
32. PIRP and CIRP Limit
33. Priority Sector Housing Loan Amount
34. Priority Sector- Agriculture/Startup
35. How many ways group of 3 could be created out of 7 people?
36. Loan to a person with disability under which category?
37. Weaker Section
38. Fund Flow is used to analyze what?
39. Financial Leverage
40. Dividend Paid by the Infrastructure Company is under which part of the Cash flow statement?
41. 3600 Net Profit, then how much goes to the reserved fund?

42. Tandon Committee
43. Case Study on Calculating Current Ratio
44. Specified Borrower
45. Performance Appraisals
46. Infrastructure Projection DCCO
47. TREDIS
48. Credit Agency
49. Estimation
50. Sampling Based Case Study
51. Statutory Reserve
52. COV is 120, Sigma x 20, Mean of x 50, Mean of y 50, Calculate y on x.
53. Cyber Attack
54. Schedule for Declaring Financial Statements
55. GRC Framework
56. Reporting Time of Overseas Branch to CCO
57. Smishing
58. Spoofing

### CAIIB ABM Memory Based Questions, Shift 3

1. DCCO
2. Co-Acceptance of Guarantee
3. Restructuring
4. Standard Deviation
5. Law Firm was assigned to look over the compliance of company
6. Compliance
7. Variance of Population
8. Mean
9. Population Mean
10. Standard error
11. MSME Based Case Study
12. Point Estimation Case Study
13. Case Study On HR
14. NBFC
15. Case Study On Whistle Blower Policy
16. LC Assessment
17. GRC Case Study
18. NPA Provisioning

19. Working Capital
20. Solar Energy Case Study
21. Maslow Theory
22. BATNA Full Form
23. Tandon Committee
24. Case Study on Normal Distribution
25. BEP Case Study
26. Waterfall Sequence
